**Awards announced at Interior Design Excellence Awards (IDEA) 2018 Gala on Saturday, August 25, 2018, 5:00pm-7:00pm, The Riverview Room, 600 Decatur Street, New Orleans, LA**

## What is “IDEA”?

IDEA stands for Interior Design Excellence Awards. The competition’s purpose is to celebrate outstanding examples of designed interior spaces. It is in recognizing the work of our peers that we can promote public awareness of design excellence, elevating the interior design profession.

## ELIGIBILITY

This event is intended to award recognition for interior design of exceptional quality. Individual practicing, IIDA Delta Regional Chapter Members (Professional, Associate, Student or with membership pending) may enter this competition. The submitting IIDA member is included in the team count and must have worked on the project. Submitting firms must practice in the states of Arkansas, Louisiana or Mississippi Chapter area. However, projects maybe located outside of the Delta Regional Chapter area. Each entry must recognize all firms and individuals involved in the design process. It is the responsibility of the entrant to give proper credit for joint ventures, firm name changes and former partnerships involvement. All entries must have been commissioned for compensation by clients with the authority and the intention to carry out the design. Winning projects from past IDEA Awards are not eligible for submission, however, projects previously submitted but not selected as winners may be re-submitted, provided they meet all other eligibility requirements. Projects may be submitted for only one category. Prior publication or entry in other competitions does not affect eligibility, except as previously noted. IIDA Delta Regional Chapter reserves the right to make a final decision on the eligibility and accepts no liability. Please verify that each entry meets the criteria outlined prior to submitting. **Submitted projects must have been completed no earlier than January 1, 2015.**

## JUDGING CRITERIA

A panel of three Professional IIDA members from outside the Delta Regional Chapter will review entries and select winners based on established criteria. Judges have discretion over appropriate categories for project placement, and to recognize and award winners. Special recognition for incorporating sustainable design into a project will be given at the judges’ discretion. There are no guarantees awards will be given in all categories. Judges’ decisions are final.
